Sir,

**Sub:** Schedule of Rates for the year 2018-19-approved and uploaded on Water Resources Dept. website – Correction slip on cement rate for SoR 2018-19 and change of description for Mason in Roads and Bridges part-issued-Reg.

**Ref:** 1.T/o Procs.No.ENC/IW/P&M/EE.1/DEE-2/AEE(K)/ SoR 2018-19/Vol.2 dt:

2. T/o Lr No. ENC/IW/P&M/EE.I/DEE.2/AEE(K)/SoR 2018-19 dated:29 .08.2018

This is to inform that the final copy of SoR-2018-19 was uploaded on the website of Water Resources Department viz., [www.irrigationap.cgg.gov.in](http://www.irrigationap.cgg.gov.in) and the same was informed to all the Engineers-in-Chief and Chief Engineers vide this office Letter 2<sup>nd</sup> cited.

It is brought to the notice that, during the meeting dated:14.02.2018 with Cement manufacturers presided by Hon'ble Chief Minister it was decided to supply the Cement at the same rates as fixed earlier up to 31<sup>st</sup> March-2019 for all the Government works.

In finalizing SoR 2018-19 with basic rates, the rate of Cement as finalized for the year 2017-18 was adopted which was obtained after deducting the VAT and Excise Duty. But, for present case, the relevant tax to be applied is GST which is 28% and hence, the corrected basic rate of Cement would be the Govt. fixed rate deducted by GST amount (.e., Rs.250/- per bag-28% of GST).

Accordingly, the Cement basic rate is herewith amended as Rs. 195/- per bag instead of Rs.194/- per bag.

In view of the above, the SoR 2018-19 is to be updated with the cement basic rate of Rs.3900 per tonne in place of Rs.3882 per tonne wherever it is necessary (i.e., in Parts-I,II,III & IV).

## Amendment in the description of Mason in Roads & Bridges:
